Hi Christina,

Thanks, for inviting me and accepting my PFAP application in your office on the first floor at the Main hospital - Lourdes Riverside drive.

As per our conversation,

Please request Care counselor, to follow up on my request to provide a reason for why I was not allowed to see my Specialist Robert VanGorder, MD on my appointment day? and/or why was my appointment not rescheduled?

Please also request Care counselor, to follow up on my request to provide me assistance to perform compatibility and conflict of interest check's before I establish myself as a patient with Brittany Taylor, MD.

Please request Technology counselor, to follow up on my request for a smart device to be able to look up the specific MD's, PA's and others available on Lourdes website to fulfill my health care needs.

Also, please forward the following bracketed message to Brittany Taylor, MD.
