Rakesh Kukatla - Available for language assistance (aka Interpreter)

----- American english - Proper white

Hi Christina and Jennifer,

Thank you, for providing high quality health care in the Binghamton area.

I came across your language assistance (aka Interpreter) sign while checking in with Stephanie

at Lourdes Center for Psychiatry (184 Court St., Binghamton, NY 13901). Unfortunately, it does not provide language assistance (aka Interpreter) for the following language variant's.

I am fluent (writing, reading and speaking) in American english - Proper white, Canadian english - Proper white, Australian english - Proper white, New Zealand english - Proper white, World english - Proper white, and England english - Proper white.

I am offering my language assistance service's (aka Interpreter) a la

carte - Contract, per-diem and/or free.

Thank you, Stephanie for directing me to Lourdes - Ascension. Just, wanted to follow up with an email, on my communication to you, of a need for language assistance service's (aka interpreter) for American english - Proper white.

I have a preference for Resident Interpreter's and Manager's (aka fresh graduates who are in residence training). I also have a gender preference - female (who have identified in the past, continue to identify in the present and have reasonable - more likely than not - confidence on their identity in the future). Please, feel free to share their profiles and email addresses with me and/or have them communicate with me directly.

It would be wonderful, to be able to perform conflict of interest and compatibility check's.

I look forward to hearing from you at your convenience.

Thank you,
Rakesh.
