Hi Clinton,

Last week, I stopped by the Home depot store (1252) in Johnson city, NY 13790.

The Refrigerator that was delivered to me, is improperly assembled and needs to be exchanged. Also, the delivery failed to pick up the old refrigerator.

I, requested a warranty exchange at the appliance service desk. And was provided with your business card (image is attached).

Please, fulfill the above two requests and/or escalate the matter to corporate.

I enjoyed, watching and reading, the award plaque you have on display at the appliance service desk. Please, keep up the good work for the Binghamton area.

Thanks again,  
Rakesh.
